File Name

Your resume file is named HARRY AKHALUODE CV.
It is a good practice to have your first and last name in the file name of your resume. Email clients can mark generic file names as suspicious. Adding your name ensures your resume will be found easy and assigned to the right application.

File Size

Your resume file size is 26.04 kB.
The common file size limit for website uploads is under 2 mB. If your resume is too large, we recommend removing any custom background images or formatting elements as you did, or resolving it in a different format setting that will allow for file compression.

Word Count

Your resume contains wordcount: 622 words.
Your wordcount is above 400 words. Ensure that it does not exceed the range which is 600 words

Page Count

Your resume is pages: 3 page/pages long.
It is important to nail the right resume length. More than two pages and the recruiter will not read through your resume, whereas, if it is too short, it will undersell you
